

Tad!

What's up? I can't remember right now, but I got to thinking about you the other day, found the Sandlot website this morning, nice website. How's it going? I'm in Austin, I've been here since 2004. Worked in the Training Room @ CU then became a Graduate Assistant @ UT for the 04 & 05 seasons. (not a bad time to be with UT Football) I covered fall ball in my first year too. If I could have stayed with Baseball, I would've in a heartbeat, they were pretty great. I spent 2 1/2 years there, now I'm applying to med school. Try to fix broken hearts. My dad died in 02, then I got pretty interested in Ex Physiology and things along that line. Anyway, things are going well. I like Austin a lot even though it's too big. I somehow coned the Cheer captian into falling in with me and she is awesome. How are you doing? Your Boys? Still get up to Happy Valley in the summers? Good to see you (online), hope everybody is happy and healthy. Keep in touch.
